

## COCKTAILS AT NOUR

Nour's delicate mélange of traditional and modern impressions inspire our house cocktail list.

Each drink is explicitly tied to the culture, flavours, fruits, herbs and spices of the Levant with flavours that shine through our modern style concoctions.

There's a little piece of the amazingly diverse Middle East in each drink whether sweet, dry, sour or bitter.

## WINE AT NOUR

Nour's cuisine is inspired by Lebanese tradition, while encompassing both ancient and contemporary Mediterranean influences. Similarly, our list strikes a synergy between wines of the mountains, sea and abundant sunshine of this vast, climatically diverse and geologically complex region.

The wines are listed in ascending order of weight across categories. Local expressions, largely sharing similar grape varieties, textural intrigue and ample warmth, are also rightly celebrated.
