## COCKTAILS AT NOUR

Nour's delicate mélange of tradition and modern impressions inspire our house cocktails offerings.

Each drink explicitly ties to the culture, flavours, fruits, herbs and spices of the Levant with profiles that shine through our modern style concoctions.

There is a little piece of the amazingly diverse Middle East in each drink whether sweet, dry, sour or bitter.

## WINE AT NOUR

Nour's cuisine is inspired by Lebanese tradition while encompassing both ancient and contemporary Mediterranean influences. Similarly, our list strikes a synergy between wines of the mountains, sea and abundant sunshine of this vast, climatically diverse and geologically complex region.

The wines are listed in ascending weight across categories. Local expressions, largely sharing similar grape varieties, textural intrigue and ample warmth are also rightly celebrated.
