## **COCKTAILS AT NOUR**

Nour's delicate mélange of tradition and modern impressions  
inspire our house cocktails offerings.

Each drink explicitly ties to the culture, flavours, fruits, herbs and  
spices of the Levant, with a little piece of the amazingly  
diverse Middle East in each.

## **WINE AT NOUR**

Nour's cuisine is inspired by tradition, encompassing both ancient and contemporary Middle Eastern influences.

Similarly, our wine list strikes a synergy between the old and new, celebrating climatically diverse and geologically complex regions.

Wines are listed in ascending weight across categories. International expressions nestled amongst local examples; largely sharing similar grape varieties, textural intrigue and weight, are also rightly celebrated.
